'He gave us eyes to see them': The Madonna of the Meadow' by Giovanni Bellini

The joy of spring and summer go hand in hand with the sadness and resignation of autumn and winter in all that life brings us. When we look at our Lady in the Gospels, and this month of May is Mary's month, we see that mixture of joy and sadness. In the Annunciation and at Christmas we share in the wonder and happiness of motherhood and new birth. A Son is born, but that birth brings anxiety and strain. Those strange words of Simeon in the Temple, losing the child in Jerusalem, watching her son grow, only to be rejected and crucified – these experiences brought Mary heartache and sorrow. But her maternal love sustains her through it all, and Mary is with the disciples at the glorious moment of Pentecost.

This range of moods in creation and Mary's life is shown in the painting, 'The Madonna of the Meadow' (1500) by Giovanni Bellini. The background is illustrative of the world of nature and everyday life, and Mary is part of that creation with the blue of her robe like the sky above, while the russet shades beneath that blue mirror the earth on which she rests.

However, we can also see some disturbing signs of 'nature red in tooth and claw.' There is a bird on the left that is fighting with a snake. Above, on the top of a tall, thin, leafless tree there is another bird as black as death. We look at the babe sleeping in His mother's arms and sense His vulnerability for all her protective love. Some 30 years later Mary will cradle her Son in that same pose as His body is taken down from the cross: that heart-rending moment we know as the Pietà.

The Venetian landscape is like a peaceful May afternoon where spring is dissolving into high summer amid those contented signs of a clear sky and cows grazing. The serpent and the raven tell us that struggle and death can easily invade that scene. But they somehow pale into insignificance as we ponder that luminous affirmation of new life in the mother and child that dominate the canvas. They proclaim life; they proclaim life after death. The babe sleeping in Mary's arms will wake and grow through the seasons of life. Too soon we know His body will hang on a barren tree like the one where that bird of death perches. But that cycle of birth and spring leading to death and winter will be transformed as His risen body will walk into another landscape – the garden of Easter where the leaves never wither and the sky never darkens, for in that resurrection joy, all is life and light and life eternal.

EPHESIANS 5:18

How many believers were baptised that day?

There was a sound like a blowing of a violent wind... and what seemed to be tongues of fire that separated and came to rest on each one of them. All of them were filled with the Holy Spirit.

DEDHAM PRIMARY SCHOOL

Last month our end of term church assembly took on the theme of 'Palm Sunday'. The children sang songs to help them to better understand what Palm Sunday is all about and, as a special surprise, the children also followed a donkey to church! An enormous thank you to Hall Farm in Stratford St Mary, who brought Suzy along for the morning.

After a very steady walk down to the playing fields, the children raised palm leaves above their heads as the donkey processed along the pathway that had been created. Although the songs included many loud and celebratory 'hosannas' as they sang about Jesus riding into Jerusalem, the children were very good at remaining quiet so as not to spook poor Suzy on her journey to Dedham Church!! The photograph below shows our 're-enactment'. The two year three pupils chosen to lead Suzy to church were celebrating a recent win at a local school squash tournament, hence their blue t-shirts

and medals.

At the end of May, Miss Valentine will once again be travelling out to our partner school in Kenya to carry out work as part of the British Council's 'Connecting Classrooms' project for which we have once again received funding. This year's joint projects include: storytelling and understanding how we can improve our local and world environments, for example learning about litter, recycling, pollution and global warming. We look forward to welcoming another member of staff from Gatunduri School here in the autumn.

SMALL GRANTS FUND

Dedham Parish Council is again welcoming applications for small grants in order to help our village clubs and organisations. Initial applications should be in by the end of June. Last year the Youth Club and the Dedham Toddler Group were awarded £300 and Dedham Old Boys Football Club received £250. The application form can be found on the website or by contacting the Clerk.

MILL POND

The Parish Council has been awarded funding from the Dedham Vale and Stour Valley AONB Sustainable Development Fund to make improvements to the Mill Pond surroundings and to restore the historic view across the pond. The large tree which fell into the pond some time ago has been removed and the sawn up trunk positioned to create informal seating. Some planting has already been undertaken, with an emphasis on providing species-rich habitats, with more to follow. We are pleased to be working with children from Dedham Primary School who will be looking at the flora and fauna in the area.

PLAYGROUND

Planning is well advanced to renew and re-invigorate the children's play area off the Drift. Funding has been obtained from Essex County Council's

Community Initiatives Fund and Colchester Borough Council's S106 funding 'pot.' There will be a closure period of two to three weeks; details will be on the Parish Council website. It is hoped that the work will be completed in time for the summer holiday period.

PARISH COUNCILLOR RESIGNATION

Cllr Sue Vinter has announced that she is stepping down as a Parish Councillor. At its April meeting the Council thanked Sue for her hard work on behalf of the village.

BEST KEPT VILLAGE COMPETITION

After much consideration the Parish Council has decided that Dedham is not quite ready to enter this prestigious competition and has decided to focus efforts on next year's entry. Councillors look forward to working with local clubs and societies as well as local businesses to smarten up the look of the village and to showcase our thriving community.

Next meeting; **Monday 11th May at 7.30pm** in the Duchy Barn.
