THOUGHT FOR THE MONTH

How creative are you? Over the Christmas holidays I watched one of my children lovingly restore an old boat tender. He certainly displayed commitment, patience and stamina as he worked in near freezing conditions outside in the garage to bend and varnish new wooden parts and generally tidy up the rest of the craft. We will enjoy the benefits this summer!

My woodwork can best be described as 'wood butchery' as I struggle to be patient enough to take the time to make things really well. I know my limitations!

I have really enjoyed starting to understand the history and craftsmanship that has gone into making our churches so beautiful – both named after Mary the mother of Jesus. If you haven't visited both I encourage you to do so, they are very different but each special in their own way.

As churches we are looking at a letter found in the New Testament and written over 2,000 years ago to Christians in Western Turkey. In it we are discovering amazing truths about God and what he has done for us all.

In one chapter the writer, St Paul, reminds his hearers : *for we are God's workmanship, created in Christ Jesus, to do good works, which God prepared in advance for us to do. Ephesians chapter 2*

verse 10.

Another translation says: *He creates each of us by Christ Jesus to join him in the work he does, the good work he has got ready for us to do, work we had better be doing.*

Two things flow from this: *we are God's workmanship....* At the beginning of the bible it says that men and women are made in the image of God and that creation was very good (Genesis chapter 1 verses 26-31). This means that we are capable of knowing Him, loving Him and enjoying Him. God has created each one of use lovingly and He doesn't make mistakes.

We have a job to do – Jesus summed this up as love your neighbour as yourself – our life goal can be that simple (and hard too!)

I encourage you to hold onto these words that Christian people have believed to be true for over 2 millennia. Happy 2017!

We've just started the *Life Explored course*, in our parishes - if you haven't been able to make it do check out the wonderful video clips and discussions – *just type Life Explored into you tube*

GOD IN THE ARTS

MIRIAM AND MOSES

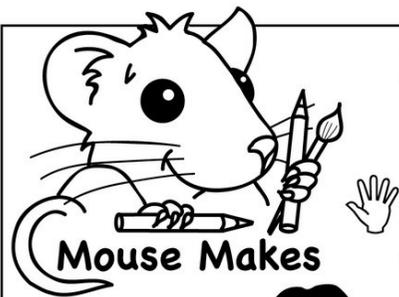

One of the first stories that impressed me at Sunday School was

about Moses as a baby placed in a basket into the river Nile and rescued by Pharaoh's daughter. Moses grew up to become a great leader of God's people in the Exodus. But there was one person whose courage and ingenuity was vital in his survival as a baby – his sister, Miriam. She is there with her mother in this tender scene painted by Simeon Solomon, the Pre-Raphaelite artist, in 1860. Jochabed cradles her son, and Miriam looks on with care and concern as she holds the basket that will keep her brother safe. Birds on the window ledge, a potted plant and a lyre provide a gentle background to the drama that will soon unfold.

Like Noah, whom we looked at last month, the story of Miriam is linked to water: helping to save Moses from the waters of the Nile; with the people as the Red Sea parted; and the spring that came up from the earth to give abundant water after her death. All that is still to come when we look at this painting. Here Miriam is about to take her brother and the basket to the Nile to begin the journey that will eventually take God's people from slavery and oppression to new life in the promised land.

The Exodus is an inspiring pilgrimage of faith and trust, and Miriam played her part in it as a courageous leader of the women. To celebrate, she sang a hymn. 'Then the prophet Miriam took a tambourine in her hand; and all the women went out after her with tambourines and with dancing. And Miriam sang to them, 'Sing to the Lord, for he has triumphed gloriously; horse and rider he has thrown into the sea.' (Exodus 15). It is a story that can inspire us to sing and even dance when we recall this victory at each Easter.

 May your holy name be honoured;

 Forgive us the wrongs we have done,

PARISH COUNCIL

Nicola Baker writes

Website

The Parish Council website has had a make-over! Please take a look at www.dedhamparishcouncil.org.uk

and let us have any comments on its accessibility and ease of use. There is a feedback form on the front page.

Business breakfast

As reported last month, at the November Business Breakfast a

question was asked about the apparent conflict between the aims of the Dedham Vale Society and the environment lobby to keep the car driving visitors out of the Dedham Vale. The Dedham Vale Society has asked us to make clear that this is NOT their policy and we are happy to set the record straight.

Environmental forum

Residents will remember the problems caused by excessive rainfall in June of last year, with many areas of the village affected by flooding. Since that time the

Parish Council has been in communication with a number of statutory bodies, including the Environment Agency, to try to establish whether any action can be taken to

improve matters in the event of future flash floods.

On 16 February there will be an Environmental Forum at the Assembly Rooms, to which all residents are invited. It will be a 'drop-in' event

from 3pm and we hope to have a number of short presentations in the evening. The programme is still being finalised, so please check for up to date information on the website or notice boards. The Environment Agency will be represented and it will be a good opportunity for residents to raise any matters of specific concern.

Budget

Councillors have set the budget for the 2017/18 financial year. A careful analysis of this year's spending has been undertaken and it has been decided to

set a budget which allows us to fulfil all

our obligations from our annual income, rather than relying on our reserves. It has become clear that it may be necessary for Parish and Town Councils to undertake some of the responsibilities of the County and District Authorities.

PARISH COUNCIL

For example, Essex County Council's footpath budget has been cut, which means that the Parish Council is funding some of the footpath maintenance in order to maintain the high standards in our village for the benefit of residents and visitors. We have also decided to keep the income received from parking fees in the village's car parks in a 'ring-fenced' reserve to allow us to investigate two specific areas of concern for residents. These are car parking and street lighting. The Parish Council is very aware of the sensitivity of both of these mat-

ters and is committed to a comprehensive consultation with all interested parties.

The net result of these budget decisions is that the Parish element of your Council Tax will go up this year to £43.51 per household (Band D). This remains lower than most of our neighbouring parishes and Dedham Parish Council feel that this represents good value for money. Next meeting: Monday 6 February 2017, 7.30pm in the Duchy Barn clerk@dedhamparishcouncil.org.uk ☎ **01255 871483**

OPEN GARDEN

With spring just around the corner, it's the perfect time to start thinking about creating a show-stopping garden to enjoy in the coming warmer months.

If you enjoy gardening and would love the chance to share the fruits of your hard work with friends and family, your neighbours, or members of your community, then you may like to hold an Open Garden event in aid of St Helena Hospice.

Whether you have an acre of beautiful shrubs and borders, or a pocket yard of stunning tubs and herbs, opening it up for a few hours for other people to see will give you a sense of pride, inspire your fellow gardeners, and support your local hospice.

It's free and easy to get involved. Decide if you want to open up your garden just to people you know or to your whole community; pick your own day and time any time between April and September; and simply collect any donations from visitors on the day.

There are many ways to raise even more funds at your event such as selling plants, garden produce and crafts, or serving tea and cake – each Open Garden is unique!

St Helena Hospice can provide you with collection pots, posters and tips on promoting your event, and can advertise your event on the hospice website and social media if you decide to

have a public event. To register your Open Garden event, or if you would like more information, please email fundraising@sthelenahospice.org.uk or telephone the community fundraising team on ☎931468. All the public events will be added to sthelenahospice.org.uk/opengardens17 as they are announced.

Honeycroft Post Office in Manningtree has been supporting St Helena Hospice for 13 years as official Newsagent Collectors for Your Hospice Lottery—and

have raised over £16,000 to date!

Postmaster Carlo Guglielmi said: "We just knew that we must support this wonderful charity."

GUIDE DOGS FOR THE BLIND

I have some really good news to share, "Guide Dog Bertie".

Many will remember trainee guide dog Bertie regularly joining the congregation here at St. Mary's Dedham whilst being puppy walked. He left at the end of June to go to the London Guide Dog school where he progressed well, went on to his advanced training and has qualified as a Guide Dog.

He is now working with a lady who has no vision at all. Bertie is her third Guide Dog. She qualified with her first whilst attending university, her second helped her when her children were very young, and now Bertie leads the way to school. Twice daily he does the 'school run', safely crossing busy roads, passing lots of children and parents before arriving at school.

He had to work hard on his concentration especially when lots of children were around him, but he now knows work from play and copes well. After work he loves relaxing at home with his new family especially the children.

A big "thank you" to all at St. Mary's for helping Bertie to reach his potential, giving guidance and independence to his owner.

CONSTABLE MEDICAL PRACTICE UPDATE

Demand on the NHS as a whole is at its highest during the winter months. This puts pressure on all our staff and

so it is even more important at this time of the year that we deal with patient problems as efficiently as possible. Please help us by following the guidelines below:

- Tell the receptionist the nature of your problem. They can ensure you see the right clinician (GP, Nurse Practitioner, Practice Nurse) and you may not need to come into the practice if it can be dealt with over the telephone.

- If you need a home visit, please let us know as soon as possible. The doctor will phone you before leaving the practice to ensure they need to see you and they can help with the problem.

- Order repeat medication well in advance and nominate a pharmacy. Many prescriptions can be sent electronically to a pharmacy of your choice. However, it can take up to 3 days for the practice to process your prescription as the doctor will need check that it is safe to issue it.

The clinicians at the practice are not equipped to deal with every problem. If you have a serious acute problem you should attend A&E or dial 999 for emergency assistance. Serious problems include broken bones, severe allergic reactions, breathing difficulties, severe chest pain, severe burns, seizures, very ill children, severe bleeding, poisoning, foreign body in your eye/ear. Staff training dates include: 9th February (Thurs), 8th March (Wed), 19th April (Wed). The practice will close from 1 pm.

DO YOU REMEMBER?

"My sister has been looking at some photos left by my long passed great Aunt Dorothy (Aunty Dot) who lived a slightly remarkable life for a woman of her time. In amongst them was this shot. Which was taken in Dedham.

She posted this last night and I traced the shot to the Prince of Wales in Dedham (Was on the corner of Coopers Lane). It's likely to be late WW1. The Model T looks like the 1915-17 style, the only young man is in uniform and my sisters tell me the dress length started to go up from 1915. We think in the shot (possibly the owner of the car) is Sir Alfred Munnings and his wife. Thought it might be of interest to a 'local lad'." Thanks to John York for sending in.

GOOD NEWS FROM SYRIA

The Bible Society's team member, Gaith, in Aleppo has sent good news from Aleppo, saying closed roads are opening up and some people forced to flee the city are beginning to return. Members of the public donated Bibles for the children of Aleppo before Christmas, which have been distributed in Syrian churches.

Throughout the conflict, the Bible Society HQ, from where Gaith runs the Christian bookshop, has been a refuge—a place of stability and comfort - for many as they assessed their situation.

Please continue to pray for Gaith and the team as they go about their work, and for peace and stability in Syria. Although fighting has largely subsided in Aleppo, the broader conflict continues.
